**Hey Dru**

Today at 11:22 AM

Hey Druanna,

it's devid...

There are some docs there, where you said that you need to be an american citizen to fill

## **Testimonial from December 6, 2017**

Happy Holidays Everyone! Today, we received another great Testimonial from Devid F. We urge you to follow his example, so you can protect you and your loved ones as well as your assets ASAP, before you get that knock on your door. More and more people are waking up by the tens of 1000s, and they're starting to see all the lies and corruption in government, and their blatant abuse of power. Once you become a Secured Party Creditor, you can reclaim what rightfully belongs to you, and you remove yourself from the Government's scrutiny! As a Secured Party Creditor, you hold a position higher than any government or bank, because they are Secondary Creditors, and no Court can dispute the legal paperwork that you've filed, registered, and authenticated. Also, the Government nor any of their Agencies cannot touch you legally, because you are no longer a Federal Employee under their control. Time is of the essence, don't procrastinate any longer, or you may regret it when Marshall Law is declared...it's better to be safe than sorry! Wishing everyone a Safe and Merry Christmas, and a Happy New Year!

Much LOVE to you All!

Dr. Druanna Wails™

## **Testimonial from November 10th, 2017**

Happy November Druanna! Hope you're well

I know you probably receive hundreds if not thousands of emails everyday so I appreciate when you take the time to read and reply to mine. But more than anything I want to thank you for sharing your knowledge and being a great teacher! No matter what the naysayers do or say about your program I know it works, and I've never doubted that it does, and sorry you have to deal with those negative people. I say this because I found your video on YouTube where you check your credit report and your SSN# doesn't recognize it! Well I did the same thing just to see what mine would say since I haven't checked it

in years and if I'm understanding correctly it says that the credit card debt and student loan I had has been deleted!!! I jumped up and down because I was so excited, and I've definitely noticed the collection companies call me less every time! Thank you thank

you 🙏 Druanna!!! Even though this is the first step, and there's still more to learn which I'm definitely interested and so willing to learn how to be able to purchase things, etc I just wanted to take the time to let you know this and give you an update.

Love and Light, Isadora L. Your fan and student!

The 98 was the difference maker. Once I got it I have seen nothing but success. I also authenticated my BC and I simply send the Check directly to the creditor with a copy of BC and Affidavit of ownership with a 1099A and 1096 and BOOM! Paid Status! YOU HAVE CHANGED MY LIFE AND ALSO MY FAMILY. ONE DAY I WOULD JUST LIKE TO MEET YOU AND HUG YOUR NECK, with your Husbands permission of course LOL! I have loved you since day one of seeing your video and to know that this power is available Takes a lot of pressure off me and it allows me to put my family in a better position for life. Wait til you see the new house!

Patrick just sent me his experience using the 98 EIN, and it's fantastic! If you listen to our instruction, you will have success as well! Filing the correct documents with the correct agencies makes all the difference. Take a look at what he was able to accomplish, and get excited! You can replicate his success, and be on your way to becoming a Secure Creditor...Knowledge is POWER!

Cheers!

Here you go! You can share on your website. Thank you so much!!! I will try and explain as best I can what my process was so you can help others with the Child Support and Student loans. I sectioned off each account on my credit report and sent it in to the local Treasure and IRS office. I followed the instructions on the new way to do a A4V in your eCourse. I wrote Accepted in red all caps and singed "by:" my name in blue on the front, then on the back I signed in blue my name. I'm not sure what to do on my student loans. It says 100% paid,

and paid partial on time payments. But it still reflects 120 days late . Well, the great part is I never made any payments on any of my student loans. Now look at it! HUGE progress, If you can share some tips with me on what to do next I would greatly appreciate it. oh I also stop accepting the bills at my house so I do not have the actual bills. If you want them I can get them. I want you to have as much evidence stacked up as you can possibly have. As more things get paid off I will send right over!

Thank you so much!! Many more blessings of abundance to you and your family!!!

**Testimonial from June 18, 2017**

I'm very excited to say that I received my first confirmation on my credit report of a dental procedure that was a total of \$1,994 FRN's has been closed and my credit score went up a bit. It was well worth the confusion and effort. Also, I've read that one is able to copy the term "Without Prejudice UCC 1-308" on their drivers license to make clear that the name, in question, has reserved their rights to not be compelled to perform under any contract or commercial agreement. Any knowledge on this would be infinitely be appreciated. Thank you for all that you guys have done over on that end. If there's anything that I may be of service of please feel free to reach out to me. Thanks again!!

Sincerely,  
Steven P.

I was able to settle 3 medical bills. One was for nearly \$5K by sending a BOE pay pack to the IRS. I was able to get everything off of my credit except bankruptcys by sending the credit letters to the 3 Bureaus.

Last year I filed for CDP hearing with the IRS (which is but a joke) and they ruled against me for \$15K in penalties and interest on debt that does not exist any more (they even sent me a Certificate of Release for the Lien ) but they still want the penalties for the debt that they have released which no longer exists. Anyway, in August 2016, I had sent them a BOE to settle this \$15 but they are still coming after it. Their problem is that they took some tax returns during the CDP hearing phase which is a big no no. Congress has said in 1998 legislation, which allows me to collect up to \$1M from them for

Hey Guys and Gals!! Look what Bruce was able to do with the training we've provided him. He discharged around \$5k in Medical Bills, and removed the negative marks on his Credit Report! Now that Bruce understands how to operate as a peaceful Secure Creditor, he is now going to pursue discharging an IRS claim for \$15k plus 25% interest! Way to go Bruce, we are so proud of you!

Hey Guys!

Here's another student named Cody whom just got rid of more than a \$1000 dollars worth of medical debt on May 5, 2017...sorry it's a bit blurry. Cody shows us the letter he received verifying the amount was not owed anymore, and was assured that they would also resolve any negative info affecting his credit report due to collection efforts! This might seem like a small amount of debt to get rid of, but Cody is just getting started!! **Knowledge is POWER!!!**

Hello Dr. Druanna Wails™,

I used the deadly weapon letter again to dispute accounts that previously the credit agencies would not remove. On the second time a round they removed. Here is the link if you want to share it with any of your students to encourage them not to give up if the agencies turn them down at first just keep disputing.

## **Testimonial from September 1, 2016**

Wow woke up this morning to another email from one of my secure creditor students! GM, DRUANNA, its been a while, its Mr. Rodrigues, how are you and your family I just wanted to share my success story.

I took your DEADLY WEAPON LETTER plus other knowledge that I had study, I put a letter together and I went after the two major bank that are very rude, ignorant, don't care about anyone and wont budge.

Anyway I put a letter together using some information that I had been studying and combined it with the DEADLY WEAPON LETTER and I send it to CAPITAL ONE BANK which I had 2 Accounts with and 1 Account with CREDIT ONE BANK well I received a letter from both banks stating that after a thorough research they could not find any Account associated with my name. VERIZON send me a bill for additional data usage I called them and after I asked to speak with the supervisor, I used the same process over the phone she put me on hold, then came back on the phone and said Mr. Rodrigues your a good customer will just waive those fees.

I'm going to A4V next, Thank you very much, for all that you have done for me, May GOD Bless you and your family always.

-Mr. Rodrigues

## ***MORTGAGE DELETED FROM CREDIT REPORT!***

*Complete Mortgage History Deleted From My Credit Report*

*Posted by Conrad on March 8, 2016 at 7:40am in Private Secured Creditor Club*

*“Hi Everyone, My mortgage was recently deleted from my credit file. I don’t know the real reason. I don’t know if its because there is a Class Action Settlement involving the mortgage company or it was because of me recording the UCC-1 with the county recorder’s office?*

*All I did was dispute a late payment that was on my report with Mortgage Company. While waiting 30 days for a response, I recorded the UCC-1, Legal Notice, Copyright, Sui Juris Affidavit and POAG. A day after the date from*

*recording I received a response online from Equifax saying the file was deleted. A few days later, a letter from Transunion saying the File No Longer Exist.”*

***More success from Australia 72,000 in taxes wiped out using my methods!!***

*Hi Dru,*

*Just to let you know I had a success with the Tax Dept. They rang me 3 days before the money was due to tell me there was no Tax payable. The amount was quite substantial – \$72,000.00. I had sent them 5 letters, each to different people and each labelled “Private”. I mixed up about three different things and one was your approach. So take a bow!*

*I have a friend in the USA. Do you have the name of a client who would be okay to talk to him? On one hand he wants to do this, on the other he is not sure that it will work. I thought that if he could have a quick chat with someone (preferably Utah), who had used your method successfully, then that would take care of any concerns.*

*For myself, I am now coming down from the worries about the Income Tax and can now concentrate on the next step.*

*Thanks Dru*

*I trust that all is going well with you.*

*Kind Regards*

*Sandra*

## **ANOTHER SUCCESS STORY WOO HOO MARCH 1ST 2016**

*Good afternoon Dr. Wails,*

*Just a quick update. I purchased the do-it-yourself secure creditor webinar package from you back in January 2016. I followed every instruction from the 1st package, to include filing my UCC1 in Washington State...to receiving my Green Registered Return Receipt card from Puerto Rico in early February.*

*As per the 2nd instructions given in the Secure Creditor process, I just mailed off to SC (my home state) DHEC Vital Records (certified mail) and the NJ State Treasurer (Registered mail RR) the docs that you instructed to be mailed to them. My next goal is discharge the Automobile loan and get an preventative injunction from the Equity Court to have my automobile placed on the State Police's DO NOT DETAIN list.*

Jerovon - October 2016

*I mailed off back on January 4th certified mail the Deadly Weapon Letter to the IRS, for wanting to garnish my work wages to pay off a \$6,000.00 + debt for an alleged discrepancy in Unemployment compensation back in 2013. I sent it January 4th...they got it January 8th. Just last week I received in my PO Box a letter from them saying these words:*

***'Dear Taxpayer...We're working on your account. In order to provide a complete response, we need an***

***additional 45 days to let you know what action we are taking on your account. You don't need to take any further action now on this matter.'***

*That letter is very effective...!*

*Could you please send me the payment instructions for the March 1st webinar/class? Thanks a million...*

*My profile on Sanctuary of Hathor is Richardson El Jerovon btw. Stay well Druanna and thanks again.*

*Sincerely,*

*Jerovon*

***ANOTHER FROM JEROVAN JUST TODAY MARCH 8 2016***

*Greetings Dr. Druanna*

*I just received today in the mail the following responses from all three Credit Bureaus, after sending to each by certified mail, the NOTICE STATEMENT and a copy of my UCC-1 ACKNOWLEDGMENT. Next to the Credit Bureau is what they stated in the letter:*

***EXPERIAN – 'OTHER ITEMS DISPUTED ARE NOT CURRENTLY DISPLAYING ON YOUR CREDIT REPORT'***

***TRANSUNION – 'OUR RECORDS SHOW THAT THE INFORMATION YOU DISPUTED DOES NOT***

**CURRENTLY APPEAR ON YOUR TRANSUNION  
CREDIT REPORT'**

**EQUIFAX – 'WE HAVE RESEARCHED THE CREDIT  
ACCOUNT. ACCOUNT # – 247435\* THE RESULTS ARE:  
THE ITEM HAS BEEN DELETED FROM THE CREDIT  
FILE.**

*Another one bites the dust...lol*

*Stay Well*

Also notice after he put his package together correctly first, he then did his discharge and even sent the Deadly Weapon Letter to the IRS!! Fantastic job to all of my students who believed and persevered! Keep up the great work, and continue to keep the faith!!**
